### **\*\*\*\*Mini workshops from PAPB\*\*\*\***

It came up at a recent paint-out that It would be great if Lorrie Turner could teach a half day workshop/demo on putting building into plein air paintings as she is so good at it. This is something that will be taken up by the board if there is interest. There would be a nominal charge. So the questions are: Would you be interested in this? What would you be willing to pay for this? Do you have other suggestions for demo/workshops? If you are a CA, are you willing to teach one? Give feedback to Donna.

### **\*\*\*\*Donation to Old School Square\*\*\*\***

Due to our success at Plein Fun Fest, Art on the Square and in commissions from sales of our Artists, we were able to donate at the Producer Level to Old School Square. We are indeed fortunate to have such a wonderful cultural resource and we are proud to work with them and support them.
