we agreed to partner together to make this an even better event. Our hope is put more FUN in fund raising to enable better marketing to attract more collectors, more sales and more Fun all around!

**\*\*\*\*Regular Newsletter\*\*\*\***

As you know, we send out regular news updates and announcements as needed.

But the news updates have been when we accumulated enough news. We have always announced the activities of Contributing Artists and area plein air events.

Lately we have been getting more ‘news’ from CA’s so we thought we would publish this newsletter more regularly. This way CA’s can plan their

announcements. So let us know if what you might like to see in a newsletter, how often and if you might like to get involved as a writer.

**\*\*Discussion Forums on Meetup \*\***

All of our news updates, information about exhibits, paintouts can be found on the [Meetup.com/palmbeachartists](http://www.meetup.com/palmbeachartists) site. There was getting to be a lot of messages so they have been arranged into a forum folder format. There are

discussion folders for News, Contributing Artist Exhibits, Plein Fun Paint-outs, & General (see image). This should make finding things easier.

The image shows a screenshot of the Facebook group page for Plein Air Palm Beach. The page features a header with the group's logo and name, a navigation bar with links to Home, Members, Sponsors, Photos, Pages, Discussions (selected), and More, and a Group tools section with My profile. The main content area is titled 'Plein Air Palm Beach Message Board' and includes a search bar and a table of discussion folders. The table lists four folders: 'NEWS: Updates', 'Contributing Artist EXHIBITS', 'Plein Fun Fest', and 'Paint-outs', each with a description, number of discussions, number of posts, and the latest reply date and time. The 'Organizers' section lists Donna Walsh, Chris Kling, and 13 other members. The 'We're about' section is partially visible at the bottom.

**\*\*\*\*\*Email Notifications Policy\*\*\*\*\***

- We have a large and active group and we want to make sure that our meetup members are notified of paint-outs we sponsor, and also area opportunities, but not unduly burdened with lots of email updates. Organizers can also send out announcements to the whole group or to subgroups, for example artists who attended a particular meetup. Here is our policy for updates to meetup members.

As stated on the meetup site, our meetup mailing list is used only to notify members of our scheduled meetups, and notifications from group organizers.

**Plein Air Palm Beach does not provide access to our mailing list to promote products or events.**

However, we are happy to include contributing artist news & area plein air events in the NEWS updates for the meetup group. Those wishing to be in the NEWS Update should send anything to be included in **text format** a couple of sentences long (**no pictures or pdfs**) with **link** to relevant information. We will not transcribe your promotional material into text, you must do that. One more thing, we know that you are all working hard to get your work shown, please post those news items in the meetup discussion forums or on the Facebook group page, unless it is an invitation to an opening or something like that.

On the web calendar <http://www.pleinairpalmbeach.com/calendar.html> there we have all the meetups as well as PAPB exhibits and community events. The criteria for a listing artist event such as an opening, classes or workshops is that it be open to all artists, PAPB artists, or PAPB CA's. The description section of a community event can have web links to your web pages, or pdfs. We only list PAPB events on the side bar of the menu page.
